- Protect your and your children's privacy
- Provide service rain or shine (within what we can control)
- Apply first aid and sunscreen should the need arise

Agreement

- I understand that Bush Farm Education delivers programmes in an outdoor environment which may involve height, water (ocean/streams/river), crossing roads, being on a working farm and bush activities.
- I understand that my child's safety is of paramount concern to Bush Farm Education. Whilst there is a comprehensive set of operational and compliance guidelines that Bush Farm Education operate under, the inherent nature of the activities means that total safety cannot be guaranteed and serious life-changing events are still a possibility.
- I understand that as these programmes involve being active and being outdoors, minor injuries such as sunburn, insect bites, grazes and sprains can be commonplace.
- I accept that there is a degree of risk to my child's safety and I will support my child to do their part to help manage these risks by following all safety instructions.
- In the event of an accident or illness, I authorise the obtaining of such medical assistance as thought necessary by Bush Farm Education at my expense. This may include administration of adrenaline for suspected anaphylactic shock.
- In the event of any damages, I agree to reimburse the cost of any deliberate damage caused to private or public property, including (but not limited to) that which belongs to Bush Farm Education.
- I understand that although Bush Farm Education will exercise due care to keep children's personal belongings safe, they will not be liable if personal belongings are accidentally lost or misplaced.
- I understand and agree that situations may arise during the programme, which may be beyond the control of the Bush Farm Education, and in such cases the programme or activities may be cancelled on short notice.
- I also hereby understand that personal information collected on this document and as part of the programme enrolment process is for the sole use of the programme and its staff, for the delivery of a safe and effective programme. All personal information will be kept confidential. You have the right to review and correct any personal information that we hold for you at any time.
